## Description

Vantage portrays a minimalist approach to clean contemporary lines. With its thin edge tops and open compartments with LED accent lighting storage items in this collection provide plenty of space for decorative pieces and your very own personal ideas. It is simply a furniture range that brings together design and functionality! Broad horizontal elements, like flap doors and drawers, add a statement to the room. Vantage range has a smooth matt lacquer finish combined with contemporary grey therefore combining uncomplicated, natural looks with a top-quality finish.
