New England bedroom

New England bedroom collection was designed to have a relaxed contemporary, country style.

We wanted to create a range of furniture that was quite simply gorgeous, hugely desirable and versatile in its appeal.

New England bedroom furniture has a beautiful handcrafted simplicity, classic in its proportions and details yet contemporary in its finishes. A fusion of smart modern lines with a laid back country appeal.

New England has a traditionally crafted mitred profiled frames to doors and drawers and simple flowing shapes to the underframes. This is offset by the beauty of the combined solid and veneered oak top panels. The collection is available Oak with accent chrome plated handles or the timeless painted Oak and Oak top panels.

The range boasts a large variety of storage options, deep drawers a wide choice of wardrobes and a fabulous bed to take centre stage in your bedroom.
